1. PRESENTATIONS

1.1 Texas Film Friendly Designation

Presentation to receive the Film Friendly City designation/certification from the Office of the Governor Texas Film Commission. (Dearman / Commission representative)

LeaAnn Dearman, Director of Communications, explained that the City of Seabrook is now officially a Film Friendly Community as designated by the Office of the Governor.

Lindsay Ashley, with the Texas Film Commission, explained that the Film Friendly designation is beneficial to the community because the Texas Film Commission will now market Seabrook as being film friendly, which will help to promote economic development activities such as staying in local hotels, dining in local restaurants, and use of local services. In addition, films that become critically acclaimed spur additional tourism in locations where those films are shot. Film production crews tend to spread the word about which locations are good for filming, and Seabrook's close proximity to Houston as well as waterfront property and views make it desirable for brining in film projects.

2. PUBLIC COMMENTS AND ANNOUNCEMENTS – none

3. WORK SESSION ITEMS

3.1 Budget Workshop

Conduct a budget work session to review the proposed City of Seabrook Budget for Fiscal Year 2016/17, which will include review of the Fleet Management Program and the Capital Improvements Program (CIP), and schedule future work sessions, if applicable. (Cook)

Gayle Cook, City Manager, went over the Enterprise Fund forecasted and proposed revenues and reserves, as well as the Pasadena Water Contract status, the water rate study, and the residential impact moving forward. Proposed Enterprise Fund expenditures for personnel, supplies, services, capital, and infrastructure were presented by department or division to include Water, Billing and Collection, Sewer, and Sanitation. Decision packages for Council consideration were presented for both Enterprise Fund and General Fund, with a review of the General Fund reserves. Summaries of the Special Revenue Funds were presented for the Crime District and the Hotel Occupancy Tax Funds, and the workshop concluded with discussion of a Fleet Replacement Program proposal and forecast.

Upon motion duly made and seconded, Mayor Royal adjourned the meeting at 8:25 p.m.

Approved this 2nd day of August 2016.
